

FRONT END DEV &  
DIGITAL DESIGNER

# HELLO !

First-class Honours Graduate in Cyber Security Management, but with a heart (and portfolio) in front-end dev & creative tech. I design pixel-perfect web experiences with a sharp eye for visuals, accessibility, and interactivity. Fluent in HTML, CSS, JS, React, and a toolbox of design + animation tools. whether it's building a sleek UI, creating digital experiences. I love bringing ideas to life.
